## Learning, Teaching, Training Activities

A beépített mobilitások tervezése több lapon történik.

### List of Activities

Do you plan to include transnational learning, teaching or training activities in your project?

Yes

In case you plan to include learning, teaching or training activities please encode them here.

## Activity Details (C1)

A tartalmi részletek mellett a résztvevői adatok alapján számolja az űrlap a támogatást.

In this section, you are asked to provide details about this specific activity.

The section consists of two parts: Activity Details and Groups of Participants.

In the first part (Activity Details) you are asked to provide information about the planned activity as a whole (e.g. its venue, duration, etc.), to define the activity's lead organisation, and to list the other participating organisations. The lead organisation is typically the one hosting the activity in its premises. In case you decide to organise the activity outside of the lead organisation's premises, you must respect the detailed rules provided in the Programme Guide and you need to provide an explanation for this choice as part of the activity description. The other participating organisations are all project partners who will send their participants to take part in the activity. Adding a partner organisation to the list of participating organisations will allow you to ask funding for their participants in the second part of this section.

In the second part (Groups of Participants) you are asked to provide some details about the participants who will take part in this activity. The main purpose of this section is to calculate the budget that the project will receive for the participants' travel, individual support and other expenses. The participants are organised in groups for easier calculation. Each group and its budget are linked to their sending organisation.

## Follow-up

### Impact

A Follow-up egy menüpontban 3 almenü tartalmazza a részleteket  
A bírált során ez a menüpont 30 pontos rész!

What is the expected impact on the participants, participating organisations, target groups and other relevant stakeholders?

0/5000

What is the desired impact of the project at the local, regional, national, European and/or international levels?

0/5000

How will you measure the previously mentioned impacts?

0/5000

## Dissemination and Use of Project's Results

A Follow-up egy menüpontban 3 almenü tartalmaz.za a részleteket  
A bírált során ez a menüpont 30 pontos rész!

You are requested to make plans for the dissemination of your project results. Please provide answers to the questions below.

What will be the target groups of your dissemination activities inside and outside your partnership?

Please define in particular your target audience(s) at local/regional/national/EU level and motivate your choice.

0/5000

Which activities will you carry out in order to share the results of your project beyond your partnership?

0/5000

Who will be responsible for the dissemination activities within your partnership and which specific expertise do they have in this area? What resources will you make available to allow for the proper implementation of your dissemination plans?

0/5000

Erasmus+ has an open access requirement for all materials developed through its projects. If your project is producing intellectual outputs/tangible deliverables, please describe how you intend to ensure free access for the public to a digital form of this material. If you intend to put any limitation on the use of the open licence, please specify the reasons, extent and nature of this limitation.

0/5000

How will you ensure that the project's results will remain available and will be used by others?

0/5000

If relevant, please provide any other information you consider appropriate to give a full understanding of your dissemination plan and its expected impact (e.g. how you have identified which results are most relevant to disseminate; how you will ensure the involvement of all partners; how you see synergies with other stakeholders, etc.)

0/5000

## Sustainability

What are the activities and results that will be maintained after the end of the EU funding, and how will you ensure the resources needed to sustain them?

0/5000

## Project Summary

Please provide a short summary of your project. Please recall that this section (or part of it) may be used by the European Commission, Executive Agency or National Agencies in their publications. It will also feed the Erasmus+ Project Results Platform.

Be concise and clear and mention at least the following elements: context/background of project; objectives of your project; number and profile of participants; description of activities; methodology to be used in carrying out the project; a short description of the results and impact envisaged and finally the potential longer term benefits. The summary will be publicly available in case your project is awarded.

In view of further publication on the Erasmus+ Project Results Platform, please also be aware that a comprehensive public summary of project results will be requested at report stage(s). Final payment provisions in the contract will be linked to the availability of such summary.

Az utolsó kitöltendő menüpont a projekt összefoglalója.  
Korábban a pályázati űrlap elején volt, most a végére került (ahogyan ajánlani szoktuk): mikor minden kész, akkor írjanak egy olyan összefoglalót, ami a részleteket átfogóan tartalmazza,  
Olyan szöveget vár a Bizottság, amit projektismertetőként is lehet használni!  
Rövid, lényegre törő, fontos indokoltság várt eredmények- haszon, közreműködők bemutatása, hatás, fenntarthatóság szempontjai is szerepeljenek benne!

## Submission History

Csak akkor tudják benyújtani a pályázatukat, ha minden elem teljesen kitöltött. A határidő előtt benyújtott pályázatokat újbóli megnyitás után tudják szerkeszteni: javítani, kiegészíteni és újra benyújtani.

Az utolsó benyújtott verzió lesz az érvényes, ezért ne feledkezzenek meg

- a kötelező melléletek újbóli nyomtatására (változik a pályázat azonosítója!)
- és az összes fontosnak ítélt melléklettel együtt ÚJRA csatolni!

A benyújtásról visszaigazoló üzenetet kapnak.

Többszöri benyújtás esetén itt tudják megnézni a részleteket!

Ha nem sikerül benyújtaniuk a hibátlanul és teljesen kitöltött pályázatot,  
- akkor a hibaüzenetről készítsenek képernyőképet, amit segítségkérésnél mellékeljenek,  
- és írják meg a pályázat számát!
